Contract Sales

Sears Contracts Sales is offering discounted savings on major kitchen appliances, televisions, craftsman tools, fitness equipment, lawn mowers, mattresses, grills and many other items for all Conroe ISD employees and associates who are moving, building or remodeling a home. The discounts can be substantially lower than the on-line pricing. These savings are highest on the KENMORE branded appliances, however other brands have discounted pricing available.

Simply go to www.sears.com to obtain the model numbers you are interested in purchasing. Once you have obtained the Sears model numbers, email the information to vfredri@searshc.com for a discounted price quote. Please allow up to 48 hours for a response.

This offer is completely separate from Sears retail. If you visit a retail store for a written quote, you will not be eligible for this program. The retail stores are not able to honor this program. All price quotes will be through the above email address. Offer valid only in the continental USA.

Some of the appliances available for purchase include: refrigerators, freezers, washers, dryers, dishwashers, stoves, garbage disposals and many other kitchen appliances.
